

Hosted Buyer Programme 2022

Day 0 – October 5

10:00 – 12:00h	Buyers bootcamp <i>Complimentary</i>	The annual RE-Source Buyers Bootcamp is back, expanding peer-to-peer learning and delivering a vital networking opportunity. Join this session to meet other corporate buyers and learn from their experiences in procuring renewable power to help you to unlock barriers to rapidly progress against ambitious renewable power procurement targets.
13:00 – 15:30h	Pexapark Academy <i>Complimentary</i>	Built on the success of PPA workshops at RE-Source 2019, 2020 and 2021, this 2.5-hr workshop by Pexapark will focus on sophisticated pricing for corporate PPAs in Europe. Participants will learn how PPAs are priced and their value drivers, including balancing, profile, cannibalization and volume risk.
16:00 – 17:00h	FlexiDAO 24/7 Workshop <i>Complimentary</i>	A first-of-its-kind workshop where buyers can learn from energy experts, exchange with peers and participate in hands-on demonstrations of state-of-the-art software tools to get started with the 24/7 framework and excel in their net-zero agenda.
18:30 – 22:00h	Welcome Dinner	Complimentary welcome dinner, join us for an unique networking opportunity with peers and industry leaders.
