

## 1. Check requirements

Check and understand the joining and technical requirements on our [Guidance & FAQs page](#) to become an RE100 member.

## 2. Get in touch

If you feel the company meets the RE100 requirements, contact the [RE100 team](#) or your local [RE100 partner](#) to register your interest in RE100 via a short online form. Cover off any questions you may have.

## 3. Check eligibility

Complete the online [Eligibility Form](#) to check it meets the Joining Criteria found on our [Guidance & FAQs](#) page and is eligible to become a RE100 member. The team or partner may follow-up with questions.

## 4. Apply for RE100 membership

If the company is eligible, you will be **invited to a call with RE100** to introduce the campaign in more detail. Following this, you will need to fill in the online [Joining Form](#) with the company's RE100 target.

**Estimated time: 2-3 weeks**

## 5. Application review

The company's application will be assessed against the [Joining Criteria](#), and the team will carry out a due diligence process.

## 6. Application decision

You will receive the application decision from the team. If accepted, the [Membership Agreement](#) needs to be signed, after which the company will be a **member** and will receive its membership benefits.

**Estimated time: 2-3 weeks**

## 7. Plan announcement

The date/time and communications of the company's joining announcement will be agreed with Climate Group.

## 8. New member announcement

The company can announce its RE100 membership through a press release and/or on social media. Climate Group will provide supporting materials and list the company as a member on the [RE100 website](#).
